SECTION 2: Applicants applying for a \$1000 USD support scholarship from U21 HSG (3 available)

The scholarships are to support students who may have experienced or be experiencing hardship, this may include financial hardship, reduced learning opportunities or disrupted learning. To encourage equity and more representation from more U21 Health Sciences Group (HSG) Universities, students who receive no financial support from their university to attend the GLP will be prioritized to receive the \$1000 USD scholarship from U21 HSG.

To apply for scholarship would require a nomination from a Faculty / Academic staff member in the form of a confidential "Letter of Merit" The Letter of Merit should be:

- No more than 1 page
- Outline why and how this scholarship could benefit / impact the applicant, including any insight into known hardship the student may have encountered
- Sent directly by the staff member to U21 HSG secretariat (Alicia Lui (U21 HSG Secretariat Office): alicia22@hku.hk)

Step 1: Discuss with the appropriate Faculty / Academic staff member your nomination and details for 'letter of merit' (as listed above). This may be the same person as your proposed supervisor or academic reference. *Reminder this must be sent by the staff member to Alicia Lui (U21 HSG Secretariat Office): alicia22@hku.hk

Step 2: Please complete details for staff member who will nominate you:

Title/full name:	
Position:	
Email:	
Phone:	

If you are unsuccessful in applying for a scholarship from U21 HSG, would you still be interested in / able to join this program (if accepted)? (Yes / No)

Please submit your application before 12:00 pm Hong Kong time on 07 November 2026:

Alicia Lui (U21 HSG Secretariat Office): alicia22@hku.hk

PLEASE NOTE: Participants are also encouraged to consider their funding options and timely preparation if application for financial support from their university is required.
