

Get involved in the upcoming Civil Defense Drill on August. 23rd!

☐ **What is Civil Defense Drill?**

- ☐ The Civil defense drill includes a set of activities designed to protect the lives and properties of the public during emergency situations, such as war or natural disasters. In the event of an emergency, an air-raid warning siren goes off to signal the need for evacuation and prompt the community to take precautions.

☐ **When?**

- ☐ Wednesday, August. 23rd, 2023 at 2:00 PM

☐ **Where?**

- ☐ All across Korea

☐ **What activities does it involve?**

- ☐ Evacuation drills that simulate emergency situations following the sounding of an air-raid warning siren.

☐ **Warning siren**

- ☐ At 2:00 PM, an air-raid warning siren will go off across the country for a duration of 3 minutes to signal the commencement of the drill. For the following 15 minutes, pedestrian and vehicle traffic will be strictly controlled.

☐ **What to do during the drill?**

- ☐ When the air-raid warning siren goes off, immediately evacuate to the nearest shelter.
- ☐ If you happen to be outside when the air-raid warning siren goes off, please follow the instructions of the safety personnel and evacuate to the nearest shelter. If there are no outdoor shelters available, please seek shelter indoors.
- ☐ Upon arrival at the shelter, please tune into the Arirang Radio Station broadcast and follow the instructions provided.
- ☐ Stay prepared in advance by identifying the locations of the nearest designated shelters from your home and school.
